# Pizzas

We are very proud of our scratch-made pizzas and the Marsal & Sons stone oven in which they are made. Because of our process, pizzas can be delayed during our busy times. Please make sure to allow 40 minutes or more during rush times for your pizza order to be completed. Also, to ensure proper cooking, we strongly encourage a maximum of four toppings per pizza.

We make our dough fresh and in-house with imported Italian flour. Our pizza sauce is also made in-house from imported San Marzano tomatoes. Our cheese is made especially for us using our proprietary blend of Parmesan, Asiago and Mozzarella cheeses. We take great pride in our pizza, and we hope you enjoy them as much as we do!
